I am a Frontend Developer with 5+ years of experience creating websites with a strong focus on delivering pixel-perfect and responsive web designs (RWD). I work and collaborate with talented people to ensure projects meet user and business goals. I find satisfaction in solving difficult challenges and ensuring that the solutions I deliver are both efficient and of high quality.

## TECHNICAL SKILLS

- **Frontend Frameworks & Libraries**

  Angular14+
  React
  PrimeNG
  KendoUI
  Material-UI
  Bootstrap

- **Programming Languages**

  Typescript
  ES6
  HTML5
  CSS
  SCSS

- **Data Handling & Visualization**

  RxJS
  D3.js

- **Testing Tools**

  Karma
  Jest
  Jasmine

- **Design Tools**

  Figma
  Adobe

## EDUCATION

- **Front-End Web Developer Nanodegree**

  11/2017-08/2018

- **Skoła policealna kierunek Informatyka**

  2016-2018

- **Szkolenie zawodowe "Grafika Komputerowa"**

  11/2017-01/2018

## WORK EXPERIENCE

### Inetum | Frontend software engineer
*2021 – Present*

**Angular 14+, Typescript, KendoUI, PrimeNG, D3.js, Bootstrap.** Rewrite and optimize existing JavaScript application. Implementing UI features. Managing dependencies and libraries within the Angular ecosystem, ensuring compatibility and optimal performance. Employing testing frameworks (Jasmine, Karma) and debugging tools. Code refactoring and code review. Troubleshooting and resolving front-end issues. Communication and collaboration with UX designers; reading and implementing Figma mocks.

### Gfi East | Frontend developer
*2019 – 2021*

**React, Material-UI.** Collaborating closely with UX designers, translating their Adobe mockups into interactive website elements. Implementing responsive web design techniques to ensure optimal performance on various devices and screen resolutions. Maintaining close cooperation with the Backend team to integrate front-end and back-end functionalities. Crafting comprehensive unit tests. Participating in code reviews

### Gfi East | Junior frontend developer / intern
*2019*

**AngularJS, Angular 2, D3.js.** Improving existing web application, enhancing its functionality and appearance. Implementation of individual components. Contributed to the design and refinement of user interfaces, focusing on usability, accessibility, and aesthetics. Implemented responsive design principles to ensure compatibility across various devices and screen sizes. Resolved various bugs and issues within the front-end codebase to enhance the stability and performance of the application. Actively participated in team meetings, discussions. Expanded knowledge and skills in front-end development technologies, frameworks, and tools. Experimented with new techniques and approaches.

### India Cosmetics | Graphic Designer
*2018*

Focused on delivering eye-catching visuals that resonate with target audiences, helping brand achieve it marketing goals through creative and effective design solutions.
