TECHNICAL SKILLS

- **Core Technologies**
 - Angular16-17
 - TypeScript
 - HTML5
 - CSS/SCSS
 - JavaScript (ES6+)
 - RxJS
 - Responsive Design
- **Frontend Libraries & Frameworks**
 - React
 - PrimeNG
 - KendoUI
 - Material-UI
 - Bootstrap
 - Tailwind CSS
- **Data Visualization & Testing**
 - D3.js
 - Jasmine
 - Karma
 - Jest
- **Development Tools**
 - Git/GitHub
 - npm/yarn
 - Figma
 - Adobe Suite
- **Additional**
 - RESTful APIs
 - Agile/Scrum/Kanban
 - Code Review

CERTIFICATION

Microsoft Azure Fundamentals (AZ-900)
| 2026

EDUCATION

Post-Secondary IT School (Informatyka)
| 2016 - 2018

Frontend Web Developer Nanodegree
| 2017 - 2018

Computer Graphics Professional Training
| 2017

Frontend Developer with 6+ years of experience specializing in Angular and React ecosystems. Proven track record of delivering pixel-perfect, responsive web applications for enterprise clients. Expert in translating complex UX/UI designs into high-performance, accessible interfaces. Strong advocate for code quality through comprehensive testing and peer reviews.

WORK EXPERIENCE

Inetum | Frontend software engineer 2021 – Present

Angular 14+, Typescript, KendoUI, PrimeNG, D3.js, Bootstrap. Rewrote and optimized legacy JavaScript application to modern Angular 14-16, improving performance. Developed reusable UI components using PrimeNG and KendoUI, reducing development time and ensuring consistent design across the application. Implemented pixel-perfect interfaces from Figma mockups, collaborating with UX designers. Conducted regular code reviews. Implemented D3.js data visualizations, improving data comprehension for end users. Troubleshoot and resolved front-end issues.

Gfi East | Frontend developer 2019 – 2021

React, Material-UI. Implemented responsive web design using CSS Flexbox, ensuring optimal performance across desktop, tablet, and mobile devices. Translated complex Adobe XD mockups into interactive React components, delivering pixel-perfect implementations across product releases. Collaborated with backend team to integrate RESTful APIs. Developed comprehensive unit tests using Jest and React Testing Library.

Gfi East | Junior frontend developer / intern 2019

AngularJS, Angular 2, D3.js. Successfully migrated components from legacy AngularJS to Angular 2, contributing to company-wide modernization initiative. Implemented responsive design principles ensuring compatibility across desktop and mobile platforms, improving mobile user experience. Created interactive data visualizations using D3.js. Resolved bugs within the front-end codebase, enhancing application stability. Expanded technical skills in modern JavaScript frameworks, HTML5, CSS3, and responsive design patterns through hands-on project work.

India Cosmetics | Graphic Designer 2018

Designed eye-catching marketing materials including social media graphics, product packaging, and promotional banners for beauty brand campaign. Collaborated with marketing team to develop cohesive brand identity across digital and print media. Managed multiple design projects simultaneously, meeting tight deadlines while maintaining high quality standards.
